Dear Editor,

Not long ago I went away with some of my school friends on an Adventure Weekend. I did some sailing while I was away, as well as some pony trekking, which we did in pouring rain. My saddle got extremely wet and I found it very uncomfortable to walk back to camp.

ALISON AUSTEN, Northfleet

Sounds as if you 'saddled' yourself with a deep'seat'ed problem. But I'm sure you enjoyed yourself anyway . . . Editor.

Dear Editor,

I'm very sad because I have sold my horse, and now I'm in bed with a bad cold. Please could you print this picture of my sister on my horse. It would cheer me up no end, because WHOOPEE! is the only thing that's keeping me happy at the moment.

KATIE GUSTAFSON, Milton Ernest.

Sorry to hear your sad story, Katie, and here's the picture you sent me . . . Editor.

Dear Editor,

I have only just started to buy WHOOPEE! regularly, and I have written in to tell everyone how much I enjoy it. I think it's the best comic I've ever read. I was thrilled when I saw all the participation features for readers. So I decided to try my luck with this letter.

MELANIE AHEARNE, Onchan.

Thanks for your support, Melanie. It's certainly a case of 'first time lucky' with your letter . . . Editor.

Dear Editor,

I'd like to tell you about my hobby, which is water-skiing. I have only just started, but I love it. My brother has a boat, and I ski with him at Leigh-On-Sea, Essex. At the moment I am saving hard to buy my own water skis, and if this letter is printed I will put the prize-money towards them.

GARRY MOORE, Ilford.

I decided to have a bash at water-skiing once. Trouble was, my wife couldn't get up enough speed in the rowing boat to pull me along properly . . . Editor.

Dear Editor,

Please could you print a picture of Angie Dickinson, who stars in television's 'Police Woman' series. She is my favourite actress but I haven't got a picture of her yet.

RACHEL MARSHALL, Bristol.

With pleasure, Rachel. Incidentally, I'd like to take the opportunity of recording the fact that MY favourite actress is Julia Foster, and of my Editorial team, Allen's is Bette Davis, and Colin's is Jean Simmons . . . Editor.

Dear Editor,

I collect half-pence pieces. In WHOOPEE!, issue dated 29th May, Paul East said he had collected 561. Well, I can beat that. At the last count I had collected 825.

SANDY LEITH, Angus.

Well, now you can top the 1,000 mark if you change your £1 postal order into half-pence pieces, Sandy . . . Editor.

Dear Editor,

Every Saturday morning when I hear the letter box bang, I creep down to the front door and pick up my brother's copy of WHOOPEE! from the mat. Then I sneak back upstairs to my room with it. Later, on hearing laughter coming from my room, my brother pops his head round the door, only to find me engrossed in his comic. Well, what do you expect, it's so funny.

TRACY HARWOOD, Bolton.

People certainly go to some lengths to read WHOOPEE! Still, you've got a kind face, so I'm sure you'll share your prize-money with your brother. After all, it is his comic . . . Editor.
